PARTNER ACTIVITIES according to SOCIAL MEDIATION

- Partner: MJC AGORA
- Target group: women

Which is, for your organisation, the most successful action of social mediation in order to:

- raise awareness of women as well as of their husbands and families about their emancipation
- support real path of equal opportunity between women and men
- prevent the direct or indirect discrimination of women
- change the dominant mindset

Project title: <i>Intitulé du projet:</i>	Cultural Mediation Action with as a goal a collective awareness on women conditions and to disrupt the stereotypes : Meeting with a literary and theatrical work
Description:	With the initiative of the project manager to women's right and equality (State) and ALC association (Nice), the MJC AGORA bought several copies of the book « confidence to Allah » of Sapphia Azzedine and passed them around to be read to mothers that frequent the « Meeting Café » of the leisure center. One month ago, a group of about twenty women having read the work, and the mediator of AGORA, attended the play from the book of the producer Gérard Gelas with the actor Alice Belaïdi. NICE MEETING 14-15 JUNE

	<p>“Jbara, little shepherdess of Maghreb mountains, who became a prostitute then wife of an imam, talks to Allah. In a world that rejects her, He is her only confidant.</p> <p>Jbara tells him her life, misery, her ignorant and brutal father who treats her like a servant, men who treat her like an object, the progressive find of the power of beauty, prostitution, prison, and the desire of a « distant world ».</p> <p>A direct testimony, crude, on women's oppression.</p>
Strengths:	<p>These individual confrontations with this work were followed by collective talks full of emotion. All these events contributed to the emergence of several awareness as for difficulties to reverse the representation and behavior, humiliating and depreciating for women.</p>
